

Parks and Recreation Volunteer Handbook

Fayetteville Parks and Recreation Mission Statement

To meet the parks and recreational needs of all by providing a safe and diversified park system that encourages community pride, visionary planning and operations, and environmental stewardship.

Welcome to Fayetteville Parks and Recreation! We are excited about your interest in volunteering and hope you will enjoy being involved with our community. This *Volunteer Handbook* provides information on Fayetteville Parks and Recreation, its facilities and services, volunteer opportunities and specific instructions on policies and procedures.

Fayetteville Parks and Recreation offers a multitude of volunteer opportunities on its numerous acres of park land, lakes and trails. Park land also includes natural areas, community and neighborhood parks, streetscapes and public lands. Opportunities are available for volunteers along trail and creek corridors, with sporting programs, in gardens and landscapes, in community gardens, at community centers, dog parks and sports facilities.

The Program: Purpose, Benefits, and Recognition

The purpose of the Volunteer Program is to provide rewarding opportunities for citizens to get involved in their community and to support our mission. Volunteers provide invaluable assistance through various activities.

Volunteering is rewarding. People gain knowledge about their community and special projects, they expand and share experiences, make new friends, and discover new interests and abilities. One of the greatest rewards of volunteering is the sense of personal achievement and satisfaction of helping an organization succeed. There are also tangible benefits including:

- Volunteer hours are accepted as service group requirements.
- Lunch for two group representatives is on us at the annual Volunteer Recognition Luncheon.
- Signage with your name, company or group name will be placed at parks and trails that are officially adopted.

How Do I Start and Participate?

Volunteers can sign up any time throughout the year by phone, e-mails, or at the Parks and Recreation Office.

- **Fill out and return** the Volunteer Application at the end of this document and you will be contacted by a Volunteer Coordinator.
- **Communicate** your work date to a Volunteer Coordinator at least two weeks in advance of the event.
- **Designate a representative** who will be responsible for scheduling, organizing and activity reporting.
- **Your efforts are very important to us!** Report within 24 hours the date, total number of hours and volunteers, and activities to the appropriate Volunteer Coordinator.
- **Certain programs require orientation and training.** Habitat Restoration event volunteers are oriented and trained on-site just prior and during volunteer events.

Volunteer Opportunities

- **Adopt-A-Park and Adopt-A-Trail** are components of the Volunteer Program. Adopters are required to work three times per year. The first work session must occur within six months of adopting, followed by two additional work dates before the year's end. After these requirements are met and the Adopter commits to continue, a sign with your organization name will be installed at the park or trail you choose to adopt.
- **Tidiness Efforts** include litter cleanup from grounds, trails, and creeks.
- **Garden & Grounds Maintenance** includes assisting with garden tasks, painting and cleaning of facilities.
- **Environmental Projects** through the Adopt program, provide a way for volunteers to commit to working with City staff to achieve common goals of preserving Fayetteville's ecological assets and natural heritage, while gaining education through the process. Individuals who volunteer for invasive species and habitat restoration projects often take that knowledge home to use in their own back yards.
- **Business Donations** – Businesses are welcome to participate in the Adopt programs through making donations! Similar to the regular volunteering commitment, we ask that businesses donate food, snacks or beverages depending on the event need, for 20-30 people, three times per year. This is a great way to support the program and our hard working volunteers. Your sign will be placed at the park or trail of your choosing, on a first come, first served basis, with a limit of three business signs per park.

We endeavor to match volunteers with tasks and options that best suit their group size, interests and talents. This in turn ensures a positive and productive experience for both the volunteer and Parks and Recreation programs and events. If you have any questions about volunteering, please contact Fayetteville Parks and Recreation for further information:
